

At Last! **Commercial Premium Financing Made Easy**

When you're putting together a premium finance deal, the last thing you want is to thumb through a 100-page manual hunting for just the right procedure to close a deal.

NCMIC makes premium financing effortless.
No manuals ... no mountains of paperwork.
With just a few quick steps, you'll secure the premium financing your clients need.

With FinancePro® time-saving software, you can:

- Create client quotes online 24/7
- Immediately fax quotes to your clients
- Check account status whenever it's convenient for you

And your clients can:

- Automatically pay via EFT from their checking accounts or via credit card
- Check their account status whenever they choose
- Confirm status of payments
- Make fewer calls to you because their account information is just a click away

HERE'S ALL IT TAKES FROM YOU...

- Complete the agency profile and release of information forms
- Create a quote and get a signed finance agreement
- Collect the down payment
- Provide policy information (including policy numbers when you receive them)
- Supply a contact name of the managing general agent/ insurance company
- Request activation
- Fax the signed agreement to NCMIC

One Time Only!

Take this important first step toward effortless premium financing.

Submit your agency profile and release of information forms today. When it comes time for your next premium finance deal, you'll be ready to go with NCMIC!
